PRE- PROFESSIONAL PROGRAMS

CECCHETTI BALLET GRADED EXAMS

DDD is proud to offer graded Cecchetti exams to its intermediate and advanced ballet students. What is the Cecchetti Method? It is a rigorous system drawn up with careful regard for the laws of anatomy, and it is designed to endow the human body with all those qualities essential to the dancer ... balance, poise, strength, elevation, elasticity, and so forth.

ELITE COMPETITION TEAM

DDD offers serious dancers the opportunity to compete outside of their home studio. We have both regional and national award winning teams. Our competitive team members provide entertainment for community organizations and perform upon request in the Central Michigan area. We also share our love of dance with local elementary schools and health care facilities. During the holiday season we travel with our story ballet.

Selection for Elite is determined through an audition for qualified judges. Students ages 7 & up must have required abilities in ballet, tap, jazz and hip hop to audition for this opportunity. All of those chosen are required to participate in extra rehearsals with good attitude, attendance and dedication to dance. Dance is work and your personal commitment is mandatory. The Elite teams were first formed in 2001.

For more information on our competition teams please contact our office.
